## REPUBLICANS DEFEATED IN MAINE ELECTION

Portland, Maine, Sept. 12.—Maine went democratic today. It elected Frederick W. Plaisted of Augusta, a democrat, as governor; upset the hitherto solid republican congressional delegation in at least two and possibly all four of the districts, and to the surprise of the political leaders, democratic as well as republican, the returns late tonight indicated the possibility that the next state legislature will be democratic. The senate will surely have a democratic majority. The house complexion is in doubt.

Returns from all but forty-eight of the election districts of the state showed a plurality for Plaisted for governor of 8,500.

The missing districts are nearly all in remote parts of Aroostook county and in outlying islands along the coast.

In the face of the sweeping democratic victory, the republican leaders were overwhelmed with surprise, and the magnitude of their successes astonished even the most sanguine of democrats. It was the first beating the republicans of Maine, the state of Maine and Reed, had had in thirty years, and, by a coincidence, Harris M. Plaisted, father of the present successful candidate, was Maine's last democratic governor, in the year 1881.

## ARKANSAS ELECTION

Little Rock, Ark., Sept. 12.—The general election held in Arkansas today, so far as known, has been void of any particular incident, and all parties concede the election of the entire State Democratic ticket.

It is reported that Republican gains have been made in North Arkansas, principally in the counties of Boone, Washington, Searey, Newton and Carroll, and in Crawford, in Western Arkansas, and that there will be increased Republican membership in the lower house of the Legislature, which meets in January.

The greatest interest is centered in the result of the vote on the proposed initiative and referendum amendment to the Constitution. Those favoring the amendment, including Governor George W. Donaghey, confidently believe the measure has been adopted by a majority of not less than 45,000.

It is currently reported that the republican candidate for representative has decided to resign and that the committee is looking around for some one who will stand to fill the vacancy. A grain dealer at Purdy is being suggested and it is also hinted that a former candidate for the Monett postoffice has his lightning rod up on the advice of his friends. The hand writing is on the wall and it is interpreted "J. F. Mermoud the next representative from Barry County."

Mrs. Geo. M. Wood and her sister, Mrs. Claud Linthicum is ill, threatened with fever.

Mrs. C. M. Livesay is expected home this week from a visit at Nashville, Tenn.

## GRAND JURY INDICTS WEALTHY PACKERS

They are Declared to Be Guilty of Combining in Restraint of Trade

Chicago, Sept. 12.—The Federal grand jury which has been investigating the Chicago packers late today returned indictments against ten high officials of the Swift, Armour and Morris concerns. There are three indictments against each, charging combination, conspiracy and illegal monopoly.

The men indicted are L. F. Swift, president of Swift & Company; Edward Swift, vice president of Swift & Company; Charles H. Swift, director of Swift & Company; Francis A. Fowler, director of Swift & Company; Edward Tilden, president of the National Packing Company; J. Ogden Armour, president of Armour & Company; Arthur Meeker, general manager of Armour & Company and Louis H. Heyman, manager of Morris & Company.

In detail the first indictment charges all the defendants with engaging in a combination in restraint of inter-state trade in fresh meats. The second charges conspiracy, and the third charges the defendants with monopolizing the trade in fresh meats by unlawful means.

The purpose of the grand jury inquiry was the indictment of individuals rather than packing corporations was shown when Judge Kenesaw M. Landis, famous for the \$29,000,000 Standard Oil fine, launched the investigation.

The investigation which has just ended is the second started by Judge Landis within a year. On January 20 he ordered a grand jury inquiry, which indicted the National Packing Company and ten subsidiary concerns.

At first there were no neighbors nearer than seven miles. Her father was a soldier in the Black Hawk war. Her husband, William John, was well known in this city, passing away about three years ago.

## MONUMENTAL TALKS.

The agent for non-resident firms tells you what bargains he is furnishing in monuments: how in some way he is saving a deal of freight selling work at wholesale, owning large manufacturing plants, and possibly owns a quarry or two.

But possibly he forgets to tell you what commission or salary he is getting for selling work, what his traveling expenses are per month; also that he would be of no use to the firm he works for unless he made them a profit in addition to these extra expenses; that in any saving of freight or some other expense it is the local dealer who has the advantage; that the best satisfaction and best terms in buying monuments are obtained from buying direct from some reliable dealer and not through agents; that the best work is not obtained from the "cheap John" talker, and cheap work is dear at any price.

We do not employ agents. Cramer's monuments are dependable in every way. Give us a chance to show you what he can do, then if for any reason you do not think to you best interests to patronize the home dealer we will be glad to give you the names of other reliable dealers. It is not necessary to buy through agents and pay the extra salary or commission.

Get Well First  
Don't risk even a penny—until health first returns.  
And I mean just exactly that. I am the only physician who says to the sick "I will not out of my own pocket, pay for your medicine if it fails to bring you help." No, no, no, for 20 years Dr. Shoop's medicines have been used and recommended in every city and hamlet in America. They are positively standard in every community—and everywhere. Then why pay the cash, and at your risk, for other unwaranteed and uncertain medicines? Those who are sick, have in the past successfully used Dr. Shoop's Restorative. When the stomach nerves, or the heart or kidneys are weak, Dr. Shoop's Restorative will bring them back to health again. But best of all, they positively take no money risk whatever. They know that when Dr. Shoop will himself gladly give you a 30 day trial. And for that test a full 30 day treatment is freely granted. But write me first for an order. This will save delay and disappointment. All druggists sell Dr. Shoop's Restorative and Dr. Shoop's Rheumatic Remedy, but all are not authorized to give the 30 day test. So drop me a line please—for I have appointed an honest and responsible druggist in every community, everywhere, to issue my "no pay" medicine to the sick. Tell me who you are not well. Besides you are perfectly free to consult me just as you would your home physician. My advice and the book below are yours—and without cost. Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private personal advice plan. My best effort is surely worth your sample request. So write now, while you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.
